The finally made it through ceramics. It's taken a long time. I'm just really glad I got to know you so well, even though it was under such screwed conditions. I want to see you again, for sure, after we graduate. I'm not too good at keeping in touch with people, but I promise to try my best. You're really a good person & I'm really thankful for your friendship. Lots of Love,  
Cathy

P.S. Sometimes people are too honest in yearbooks, but all this was really true. Cath -

DURING A regular board meeting, Dr. Thomas E. Woods pauses for a moment to gather his thoughts.

DR. THOMAS E. WOODS—District Superintendent of Schools

DISTRICT ADMINISTRATION—Mrs. Lucille Crain, Mr. David Miller.

## District Administration

To relate to the total community for the benefit of the schools. This is the goal of the district administration.

Results of overpopulation? Administrators join with the Citizen's Committee to find a solution.

Open or closed campus? A meeting with merchants and students to decide its fate.  
Graduation requirements? Lowered five points to allow for more individual freedom.

The community and schools join together to make the learning experience more enjoyable for both.

DISTRICT ADMINISTRATION—Mr. James Crockett, Dr. Frank Williamson.

BOARD OF EDUCATION—Dr. Robert D. Lundy, Mr. Eleanor G. Curry (president), Mr. John J. Hanson, Mr. Edmund J. Rea. (absent: Dr. Richard C. Kaehler.)

# School Administration

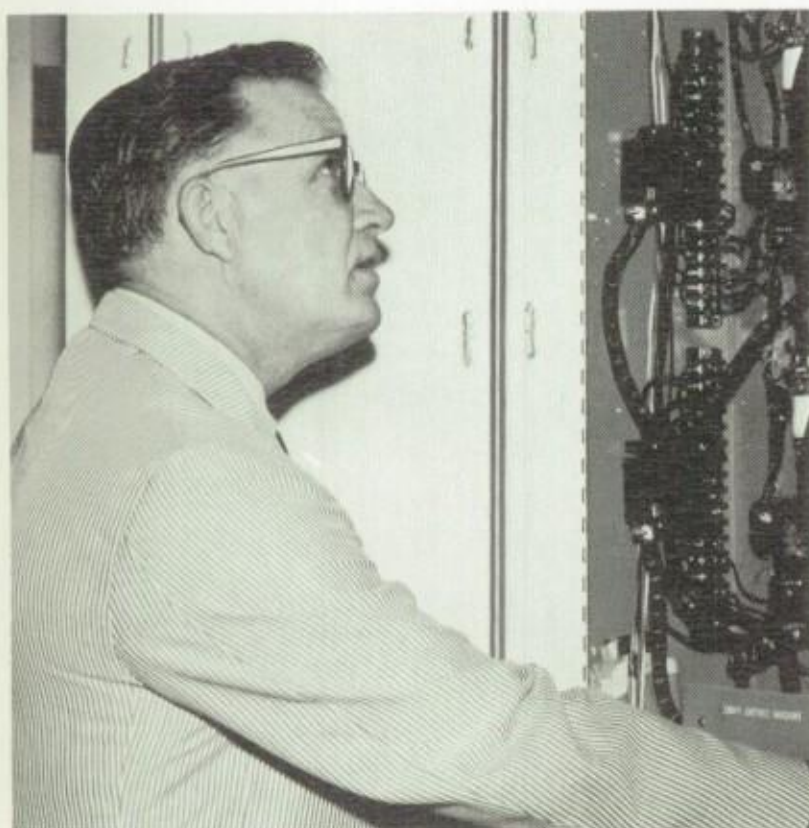

More freedom and responsibility  
for students . . .

Bridging the gap—  
Administration and students work  
together as a single force trying  
to achieve common goals.

Policies—less strict, more relaxed  
in an effort to make school  
more casual.

P.T.S.A., student council, principal's  
advisory committee, and the  
communication and planning periods—  
working towards better inter-school  
communication.

Lower graduation requirements and  
new classes  
along with improved channels of  
communication,  
are all instruments working for  
a freer atmosphere for students.

MAKING SURE RHHS students don't miss a minute of class, Principal Frank Ferguson adjusts the bell system. Being a good electrician is one of the many talents needed for being a principal.

The goal is communication . . .

This year a new medium: informal discussion groups. Students discuss, ask, relate and learn from counselors and each other.

The result? Student-counselor understanding.

"DO YOU HAVE work that's easy and high paying too?" Tom Bondurant asks Mrs. Jean Etter. RHHS provides a Work Experience service where students work and receive high school credits toward graduation.

Can I help you?

Yes.

I was approaching a green light at the intersection of Silver Spur and Hawthorne, when my bicycle had a blowout. I broke my foot in the chain, fell off and was violently thrown against the signal light, recovering just in time to see my library books mangled by a bakery truck delivering fresh rolls to the school.

Could I please be excused from P.E. for a week? We're playing ping-pong.

No.

Well actually, I was thinking more along the line of a home teacher.

School-wide issues:  
Double versus single lunch,  
Open campus, flexible scheduling.  
These are desirable measures for  
students, allowing more individual  
choices and freedoms.

But how do these affect the  
management of our campus?

The secretaries arrange  
schedules and keep attendance,  
the custodians and groundsmen  
maintain classrooms and  
landscape,  
the cafeteria staff prepares  
mass meals and cleans up afterwards.

The solution of our spacial  
problems lies in the cooperation  
of student body and staff.

If one teacher eats six apples and trades two more for a copy of "War and Peace," then pays a \$4.97 light bill, on what night does he go bowling? New problems and situations in Math help to update the program and relate better to students. Once a farmer sent his son through college. Years of sounds and voices pass in the dark . . .  
songs of relation, tunes on comparison,  
ballads of fantasies long past . . .  
but the music now becomes my own composition,  
and the rhythm a heartbeat of the years to come.

# Juniors

VICE-PRESIDENT—Eugene McAdoo

HISTORIAN—Cher Forster

ASB REPRESENTATIVES

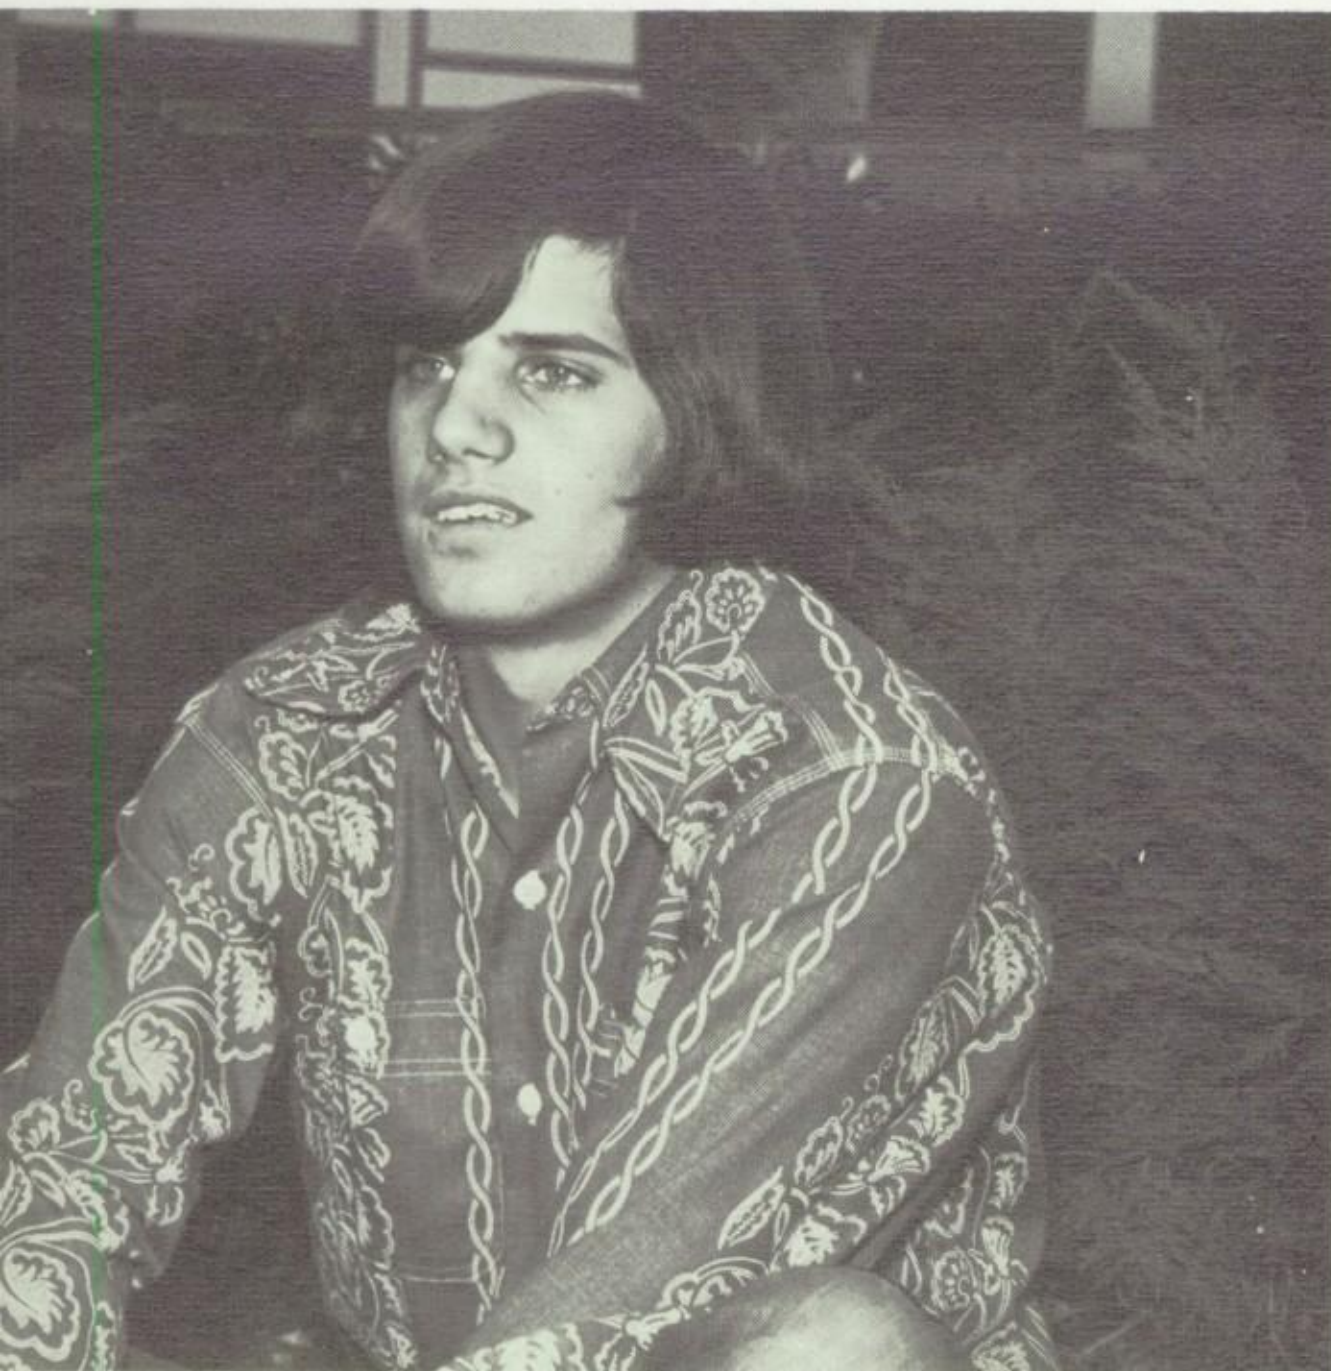

Teri Wood, Melissa Randel, Renee Rutkosky.

SECRETARY—Shelley Vaughn TREASURER—Barbara Eadie

PRESIDENT—Greg Reznick

Our Junior year brought a number of transformations: suddenly college became a consideration with the PSAT and college representatives.

We achieved responsibility in planning the Speakeasy during Homecoming and in making arrangements for the Junior-Senior Prom aboard the Queen Mary.

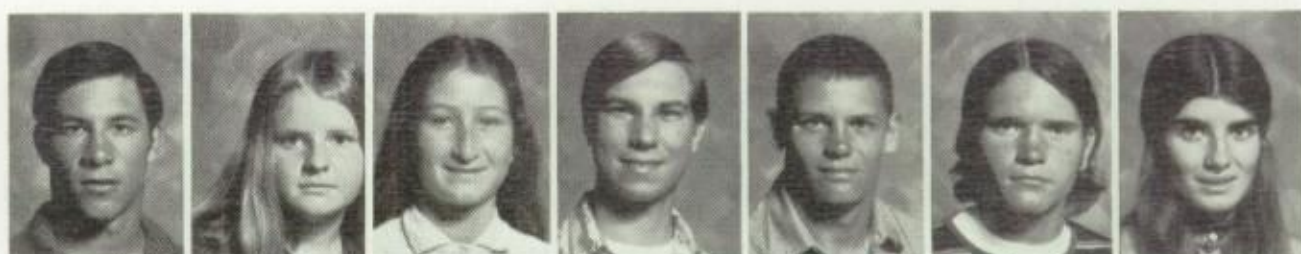

Responsibility was placed upon us and the lower classes in maintaining, and possibly broadening the privilege of open campus.

As seniors next year, we will acquire even more responsibility contained in the procedure of completing high school.

HISTORIAN—Jody Perbix, TREASURER—Cheryl Parana.

PRESIDENT—Paige Lewis

#### Traditions:

We make them, keep them, and break them.

The gentle patter of anxious feet herald these eternal apparitions.

Sophomores, no longer the beginning, not yet the end, grow with awareness and shed their former alienation.

As a part of the whole, we strive for unity. As a unit, self-complete, we aim for individualism. This sophomore year is the medium of a bridge between the naive and the all-knowing, the apathetic and the involved. It is the dawn of perception.

VICE-PRESIDENT—Ellen Engelke

TREASURER—Michelle Zayed SECRETARY—Penny Otera

ASB REPRESENTAT

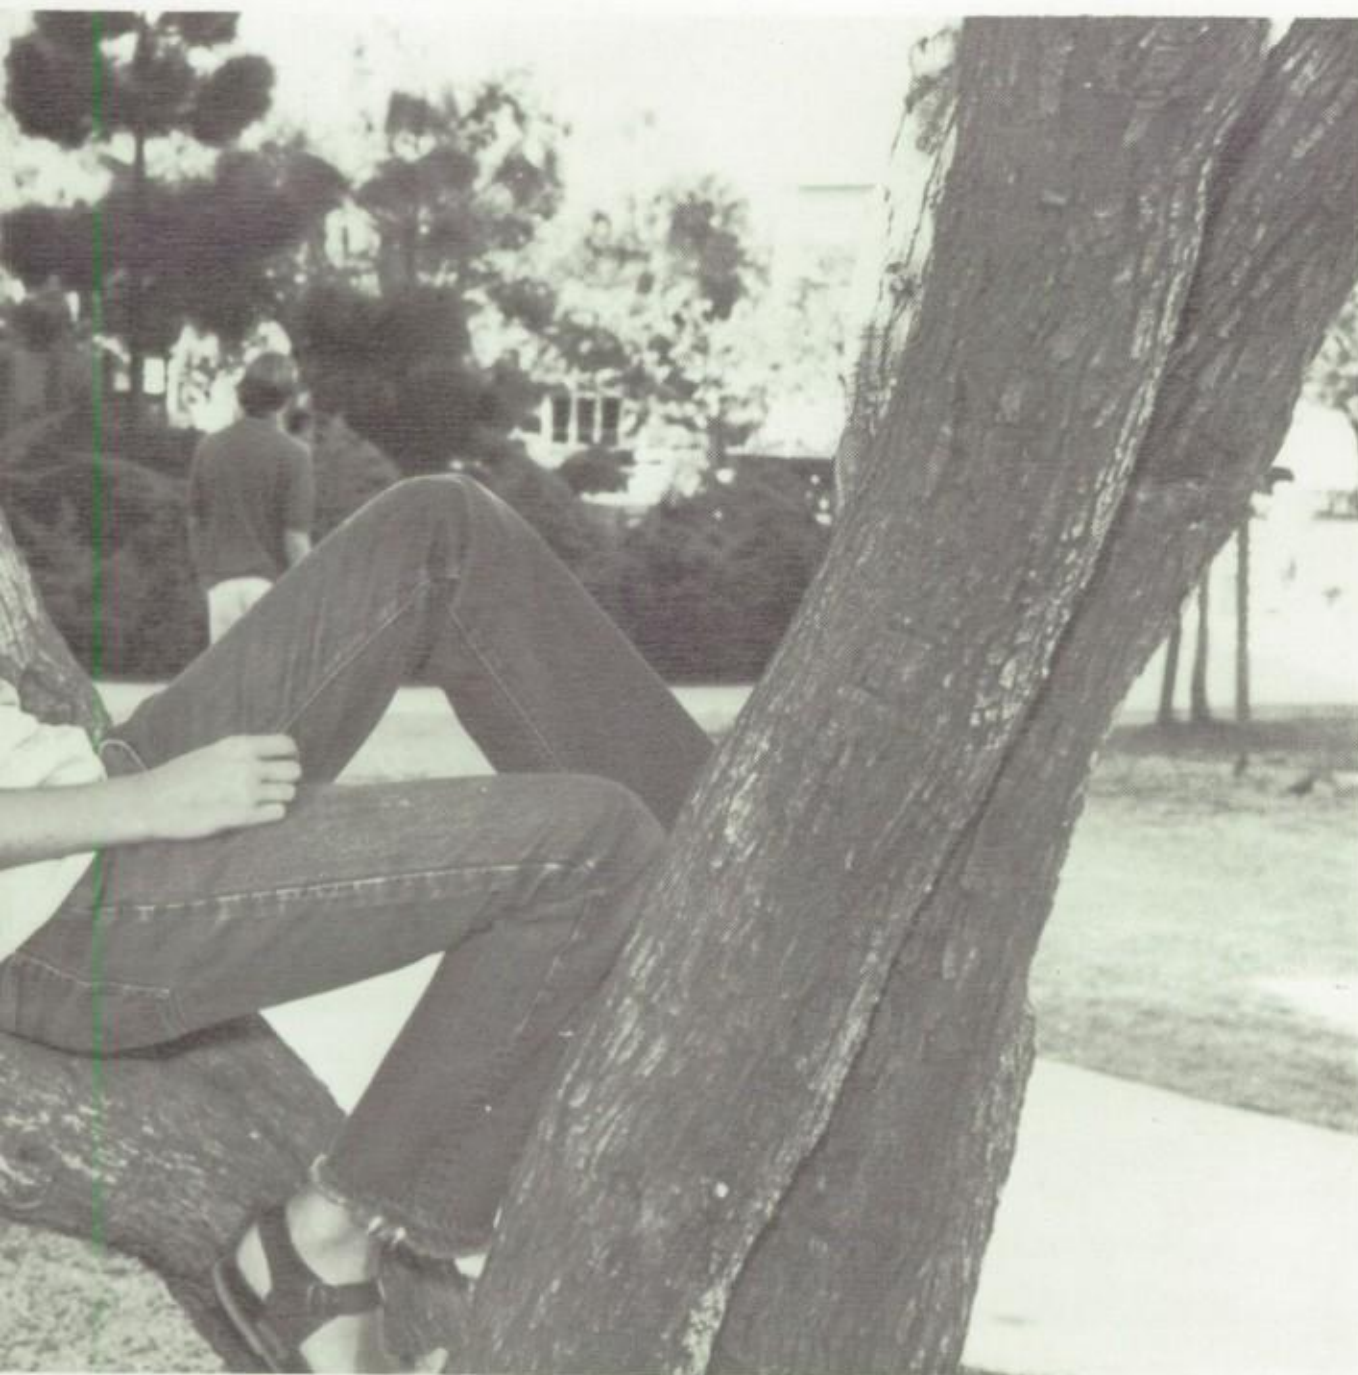

Andy Cinnamon, Vivi St. Amand, Paul Gutierrez.

HISTORIAN—Bonnie Levin

PRESIDENT—Donna Potiker

Our freshmen year came quickly.

We adjusted to the life of a new school, taking part in clubs, activities and sports.

Contributing to all events, we unite to better our school and lose ourselves in the complex problems of communication, campus improvements and community interaction.

But involvement only enhanced our enjoyment of this new experience.

The year and its activities sped by, leaving us with but memories and understanding, a fine end to the beginning.

## Leaders initiate effective changes

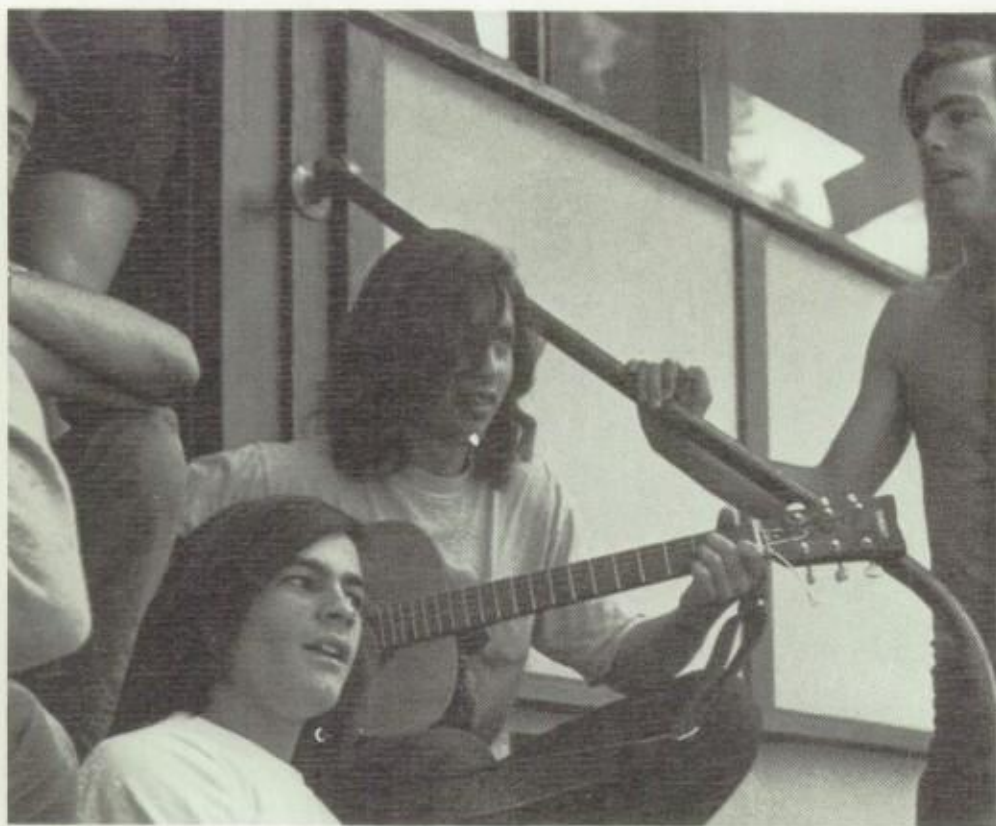

New freedoms, new procedures,  
new responsibilities . . .

The spirit of unity and drive for effective  
reform is molding  
student body government into a single force  
working toward improvement.

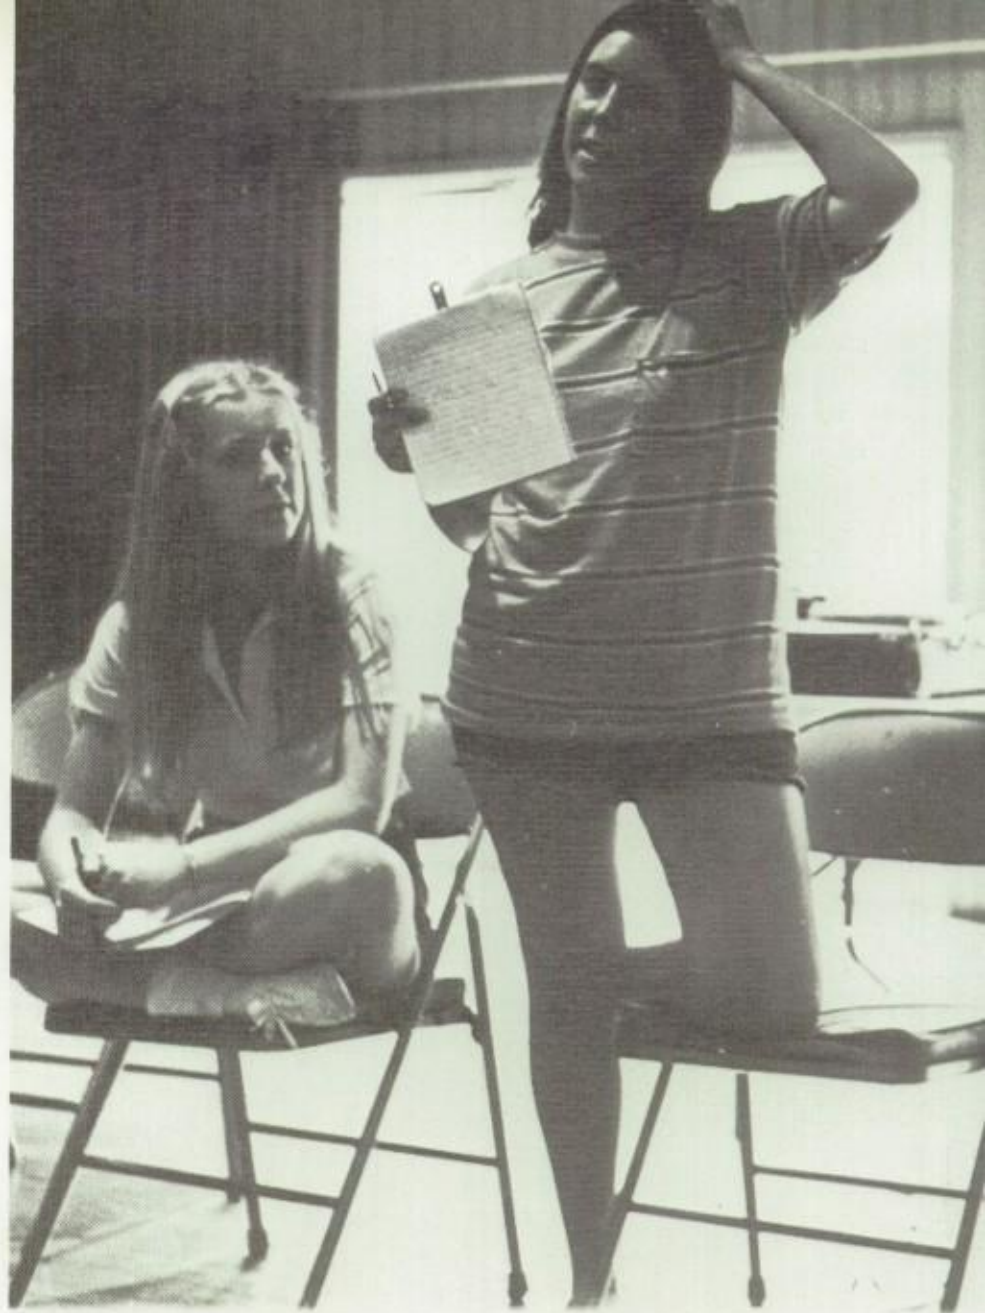

New systems of communication and planning  
are bringing students and  
their government closer together.  
Open campus supplies an increased  
atmosphere of student freedom—  
relaxation of mind and body.

Student government brings ideas and  
people together for the purpose  
of strengthening the student experience.

IN A PEACEFUL moment between the exhausting lectures and discussions at Leadership Camp, Keith Angel casually strums to an attentive audience.

WHILE INVOLVING themselves in student government at Leadership Camp, Laura Quick, Nancy Skinner and Bill Hanson contemplate the issues.

## Fall forum brings unique ideas

A time, a place and an opportunity . . .  
a chance to develop  
leadership ability  
in the relaxed atmosphere  
of Idyllwild.

Students take time to concentrate their efforts  
toward forming a strong government by  
exchanging old ideas and  
constructing new ones.

The new school year  
invites them back to  
create a great year . . .

RHHS leaders casually stroll among the trees on a leisurely walk at Idyllwild.

JUMPING AT A chance for fun, camp participants take time out for a volleyball match. Relaxation is a much appreciated aspect of leadership camp.

# Artists create for fund's sake

He is a fellow man,  
my friend,  
I seek unity through all forms of art,  
we express for the sake of helping others...  
brotherhood in the end.

Create an emotion to share with me,  
a sculpture, a freeform,  
an intricate fountain,  
a visual interpretation  
of being free,  
a probe into the aesthetics  
forgotten.

Hands deep in clay,  
hands entwined in string,  
hands all bound together...  
Art for Fun (d)'s Sake is  
the artist's contribution  
to human compassion.

FINDING ONESELF through artistic expression becomes an important part of Art for Fun(d)'s Sake, complimented by student involvement.

MOOD AND EFFECT aid appreciation of art displayed for approval at Art for Fun (d)'s Sake. A chance for reactions

and criticisms arises when art and artist meet the public, as artists remind themselves where beauty lies.

VIEWING ARTWORK with the sun looking on becomes a trying experience. One way to combat the heat is to wade in to view the art.

THE FOLK AND BLUES sounds of '71 come across cool and gentle as solo artists create pleasant moods. Holly Foster projects a serene atmosphere with the help of her guitar.

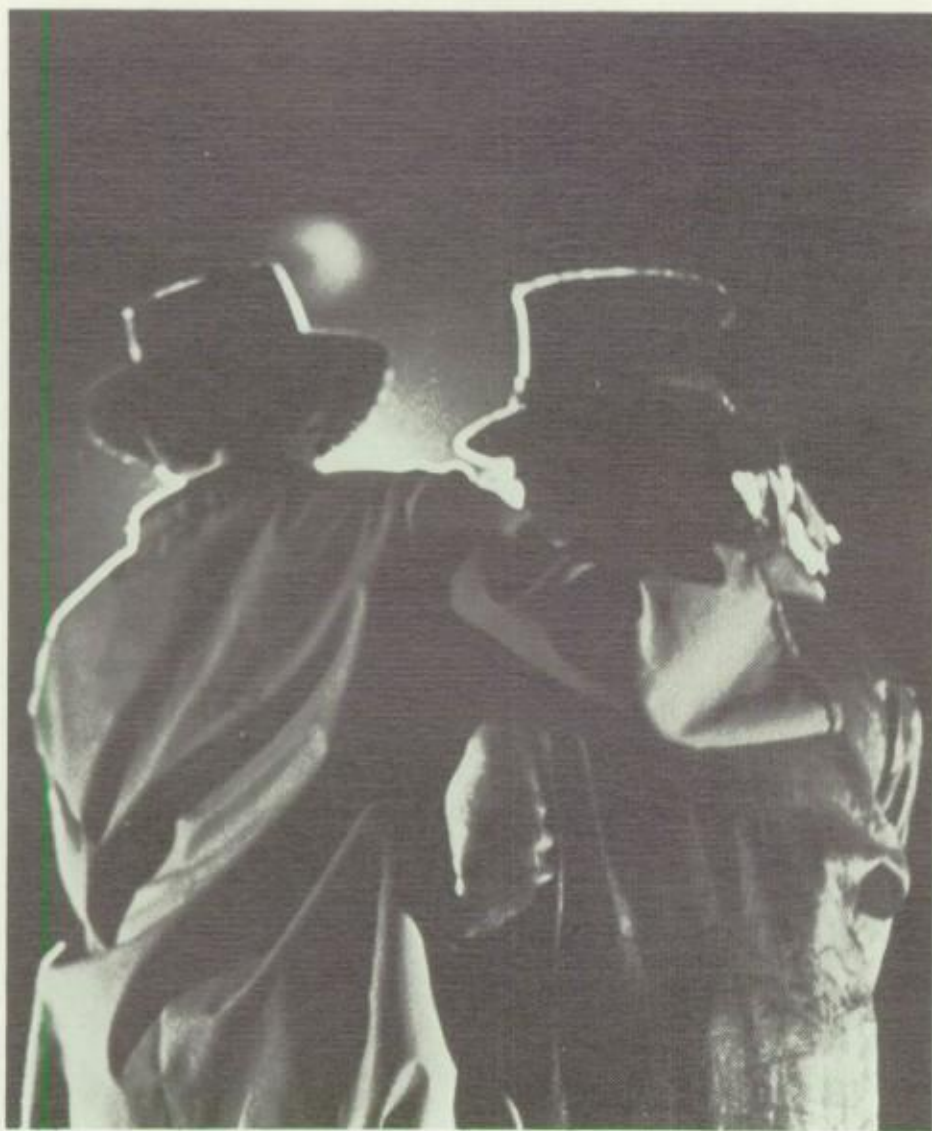

KATHY LEBENTAL retains the attention of a responsive hootenanny audience.

KAREN FISHER performs before the audience of the October Hootenanny, as they witness her fine performance.

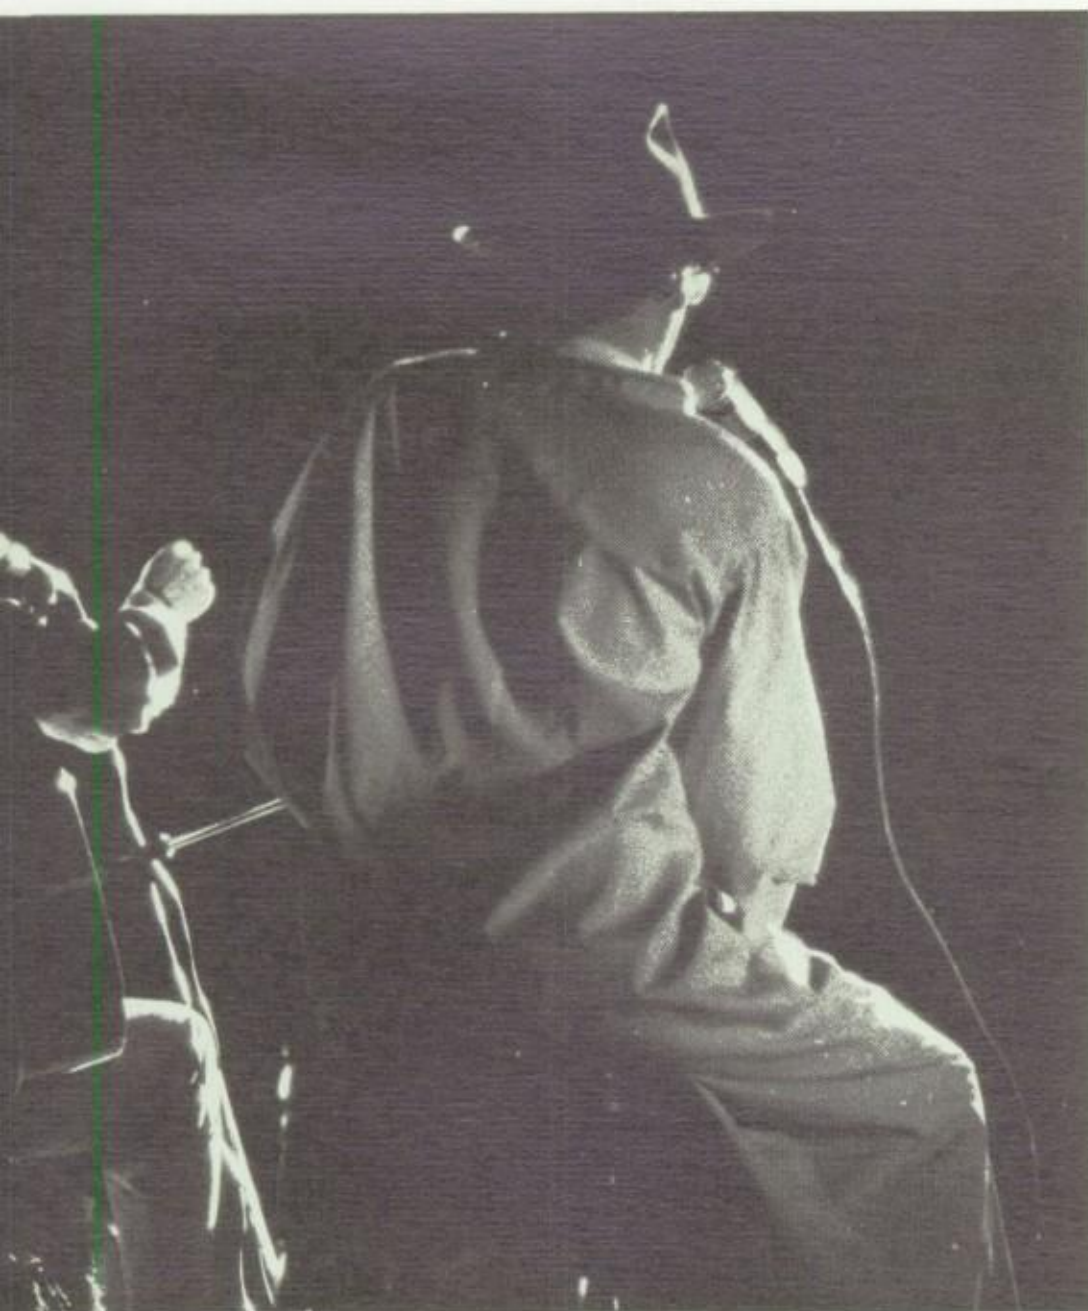

UNDER LIGHTS, with critical eyes gazing up, up at you. You, figures which stand removed and alone, because only you are on stage.

VARIETY AND individualism set Hootenanny apart from all else. Hootenanny '71 brings across the sounds of Jim Sitterly, as talent presents itself.

DAVE TRIBBLE and Mark Medin combine talents for singing "America," one of the songs which overwhelmed those present. Talent made Hootenanny what it was.

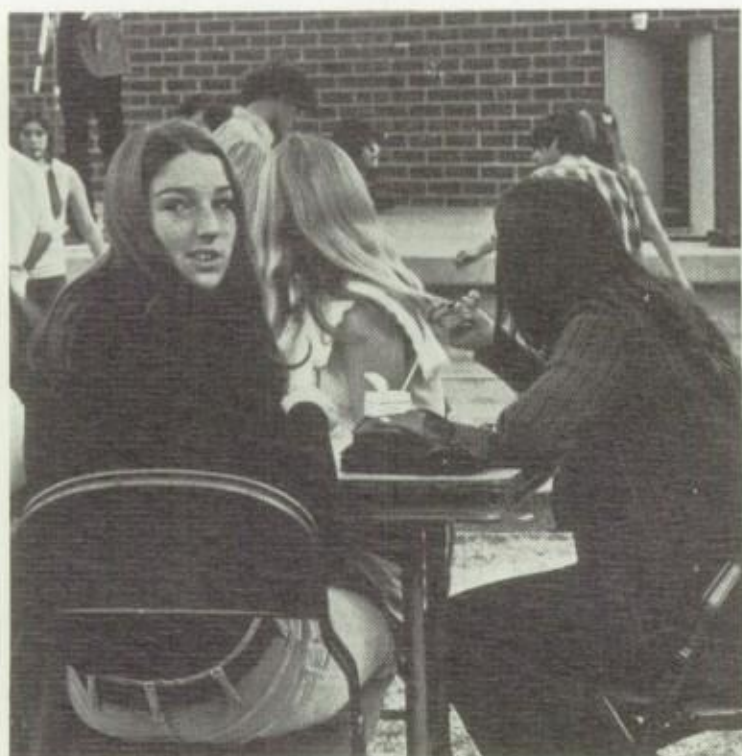

## Sounds unite folk

Individualism finds togetherness,  
togetherness brings enjoyment,  
enjoyment presents enlightenment,  
enlightenment takes form . . .  
the form of expression, and  
expression provides entertainment.

People watch, anticipating . . .  
anticipation turns to observation,  
observation gives experience,  
experience is there . . .  
the experience of Hootenanny '71 . . .

The experience of being—  
being a part of something,  
no matter what part . . .  
performing or enjoying,  
Hootenanny '71 was there.

RELAXING at a ringside seat, three girls enjoy their lunch while the marathon dancers provide entertainment.

DONNING a twenties costume to fit the occasion, Mr. Doug Noble enjoys the spirit of the Homecoming activities.

WONDERING how much longer she can last under marathon pressure, Annamay Floyd rocks to the roaring sounds of the twenties with dwindling determination.

ENTHUSIASTIC marathon dancers line up to do the bunny hop. Trying to keep with the spirit of the twenties, RHHS students attempt to dance for five hours.

# Twenties revival tries endurance

ADDING a special rhythm to the festivities, the Disneyland Jazz Band was a welcome attraction at Homecoming.

Sunshine . . .  
greet the day in your finest attire,  
for I have come home.  
Soft breeze . . .  
raise a victory cheer,  
bind the spirit within the souls of us all.  
An image is formed of a lingering dream  
of a rosy nostalgia: a bees' knees memory.  
Oh, sometimes I laugh and sometimes cry,  
I am a child and I am grown.  
Don't disturb me with troubles of your own  
friend, I'm flying much too high.  
I know I've had my share  
of cold and insincere smiles,  
I've been turned out and turned on  
for so many miles.  
But I've got rockets in my pockets  
and I've got wings upon my shoes,  
and right now,  
I just know I have come home.

WITH THE unmatched skill and talent born in every top racer, Wayne Spanier makes a quick turn toward the finish line on his trusty trike.

## Royalty roars into twenties

TAKING in a light snack at Farrell's Ice Cream Parlour are Homecoming princess candidates and their escorts. After the queen and princesses were named and crowned, all candidates went out to celebrate.

HOMECOMING QUEEN—Lynn Johnson

PRINCESS—Anne Taylor

# 'Little Mary' is a shining success

Little Mary Sunshine:  
nightly rehearsals,  
bright lights and costumes.

Anxiety builds.  
The day of judgement arrives,  
a lonely stage, a pensive audience.

Project. . . louder!  
Fine.

Young and old combine  
in a light-hearted rendition  
of 1920 frivolity and romance.

The sun shone its golden rays  
into my heart today,  
and made it sing.

CORP. BILLY JESTER (Mike Gottlieb) informs the rangers of their future confrontation with the Indians.

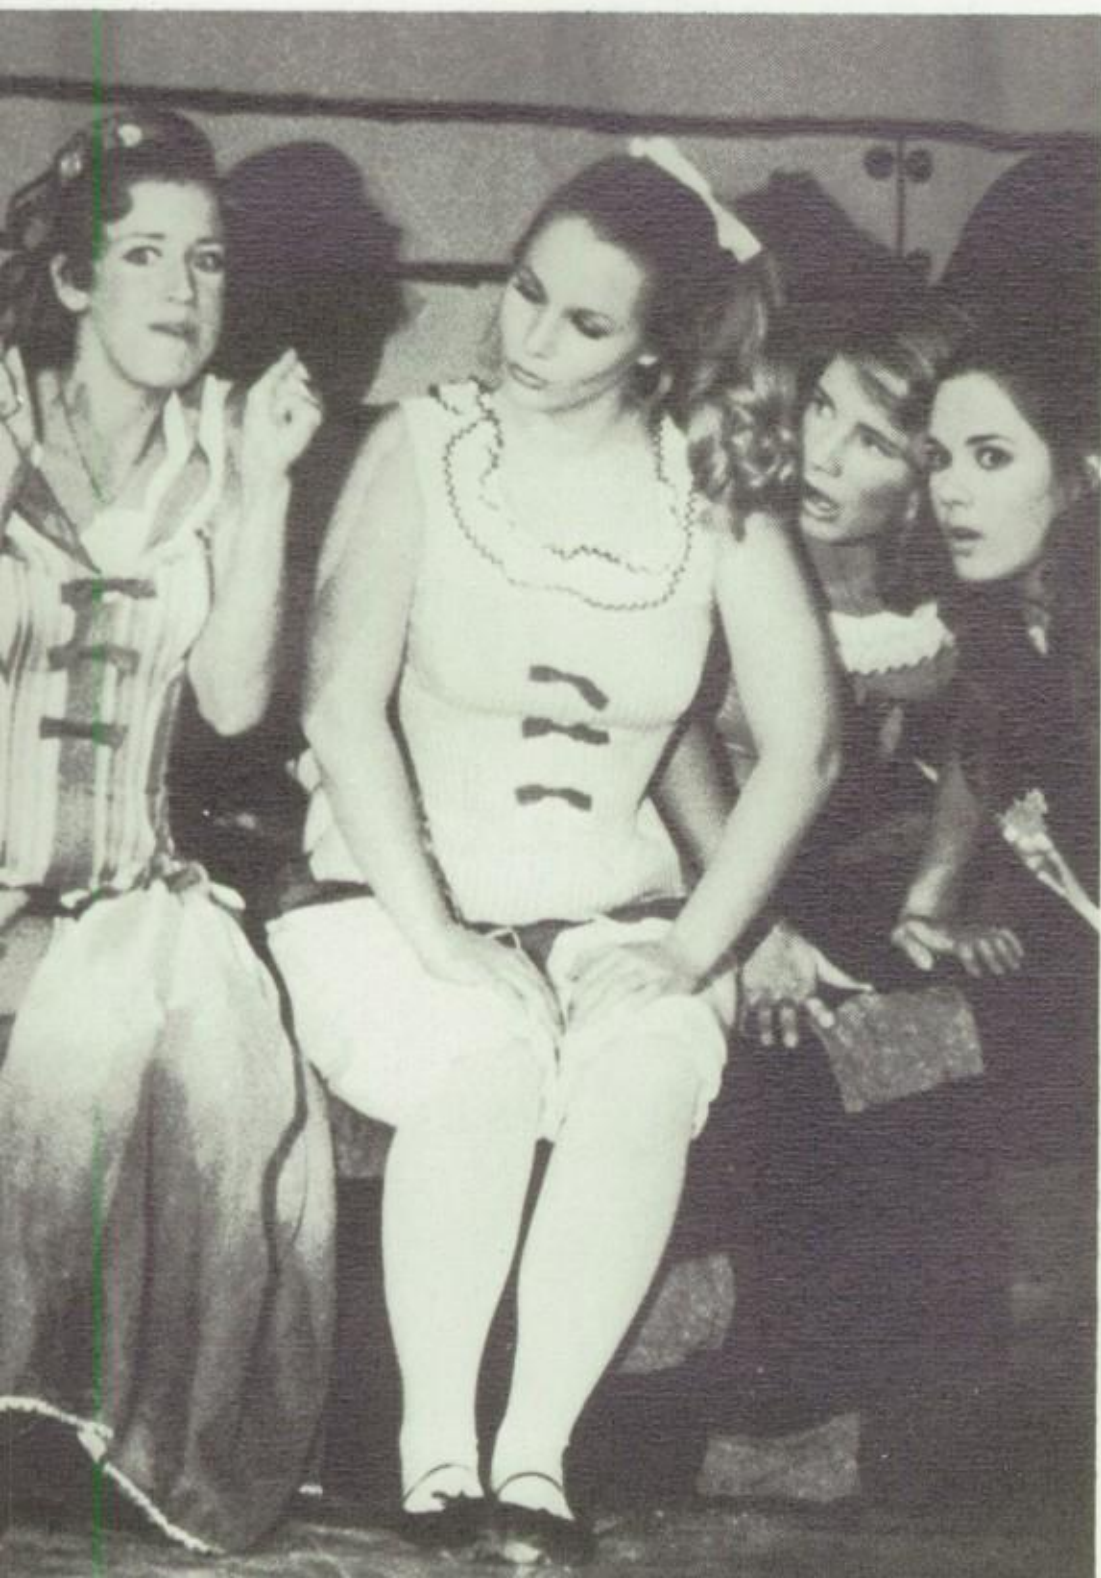

CHIEF BROWN BEAR (Dewey Ostrom) contemplates the future of his adopted daughter, Little Mary Sunshine, with Captain Jim Warrington.

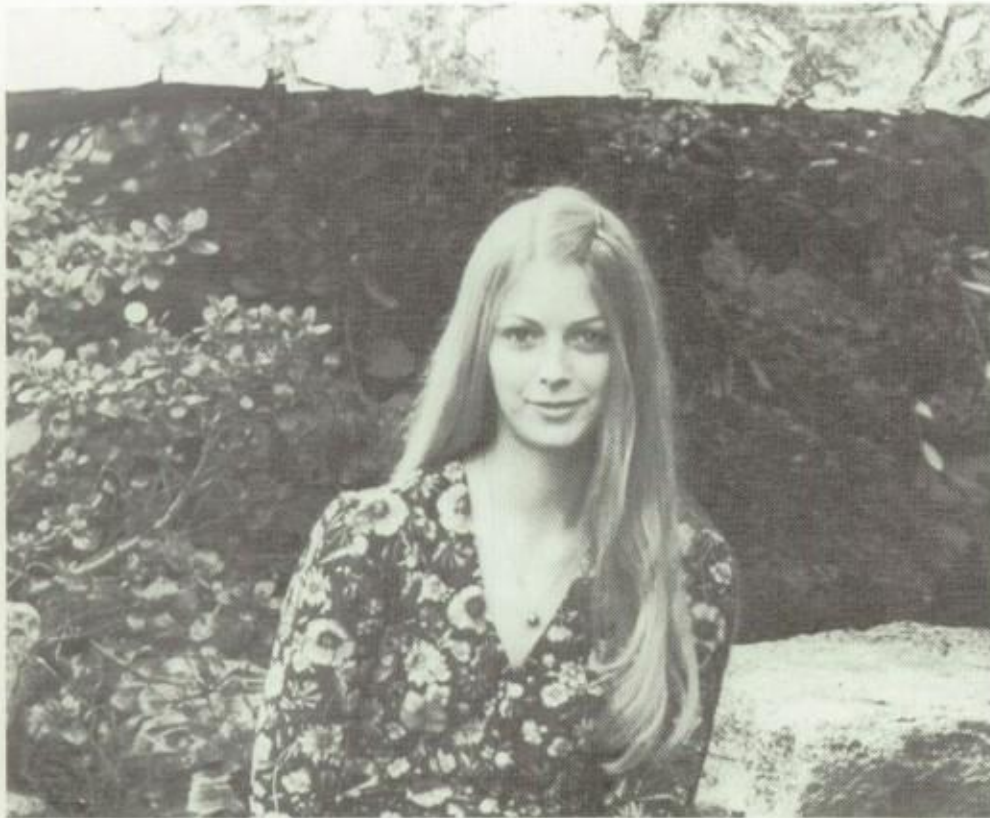

CAPTAIN JIM (Gary Brunson) pleads with Little Mary (LuAnn Malseed) to wait as he searches for the hostile Indians.

ANXIOUS FOR the second act to begin three fans sit during intermission. Young and old enjoyed the fall performance, "Little Mary Sunshine."

NANCY TWINKLE always gets her man! Finishing school girls listen as Nancy (Angela Pfund) reveals her infallible man-trapping plan.

PRINCESS—Laura Keller

PRINCESS—Wendy Campbell

PRINCESS—Robin Gedicks

BONNI STAMPER and her court carefully search through the bushes under the foot-bridge after one of the princesses unfortunately lost her heel and footing.

ANGELA PFUND and foreign exchange student Didier Bardot perform a unique step to the stimulating sounds of Thee Perfections at the festive Winter Formal.

KEY CLUB QUEEN—Bonni Stamper

PRINCESS—Denice Gazeley

## Couples move to tune of peace

Peace . . .

The theme setting the tone of the Winter Formal.

Giving . . .

Bringing gifts for needy families—just one way of adding to the spirit.

Excitement . . .

Bonni Stamper crowned Key Club Queen.

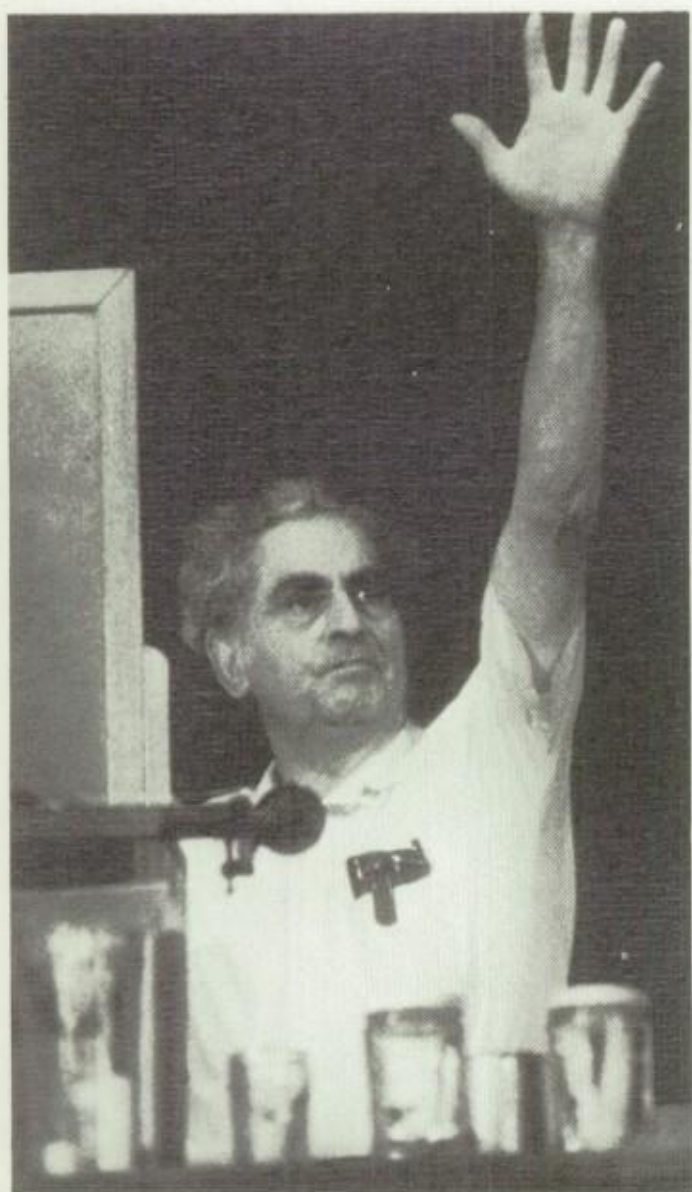

Music . . .

The background sounds by Thee Perfections.

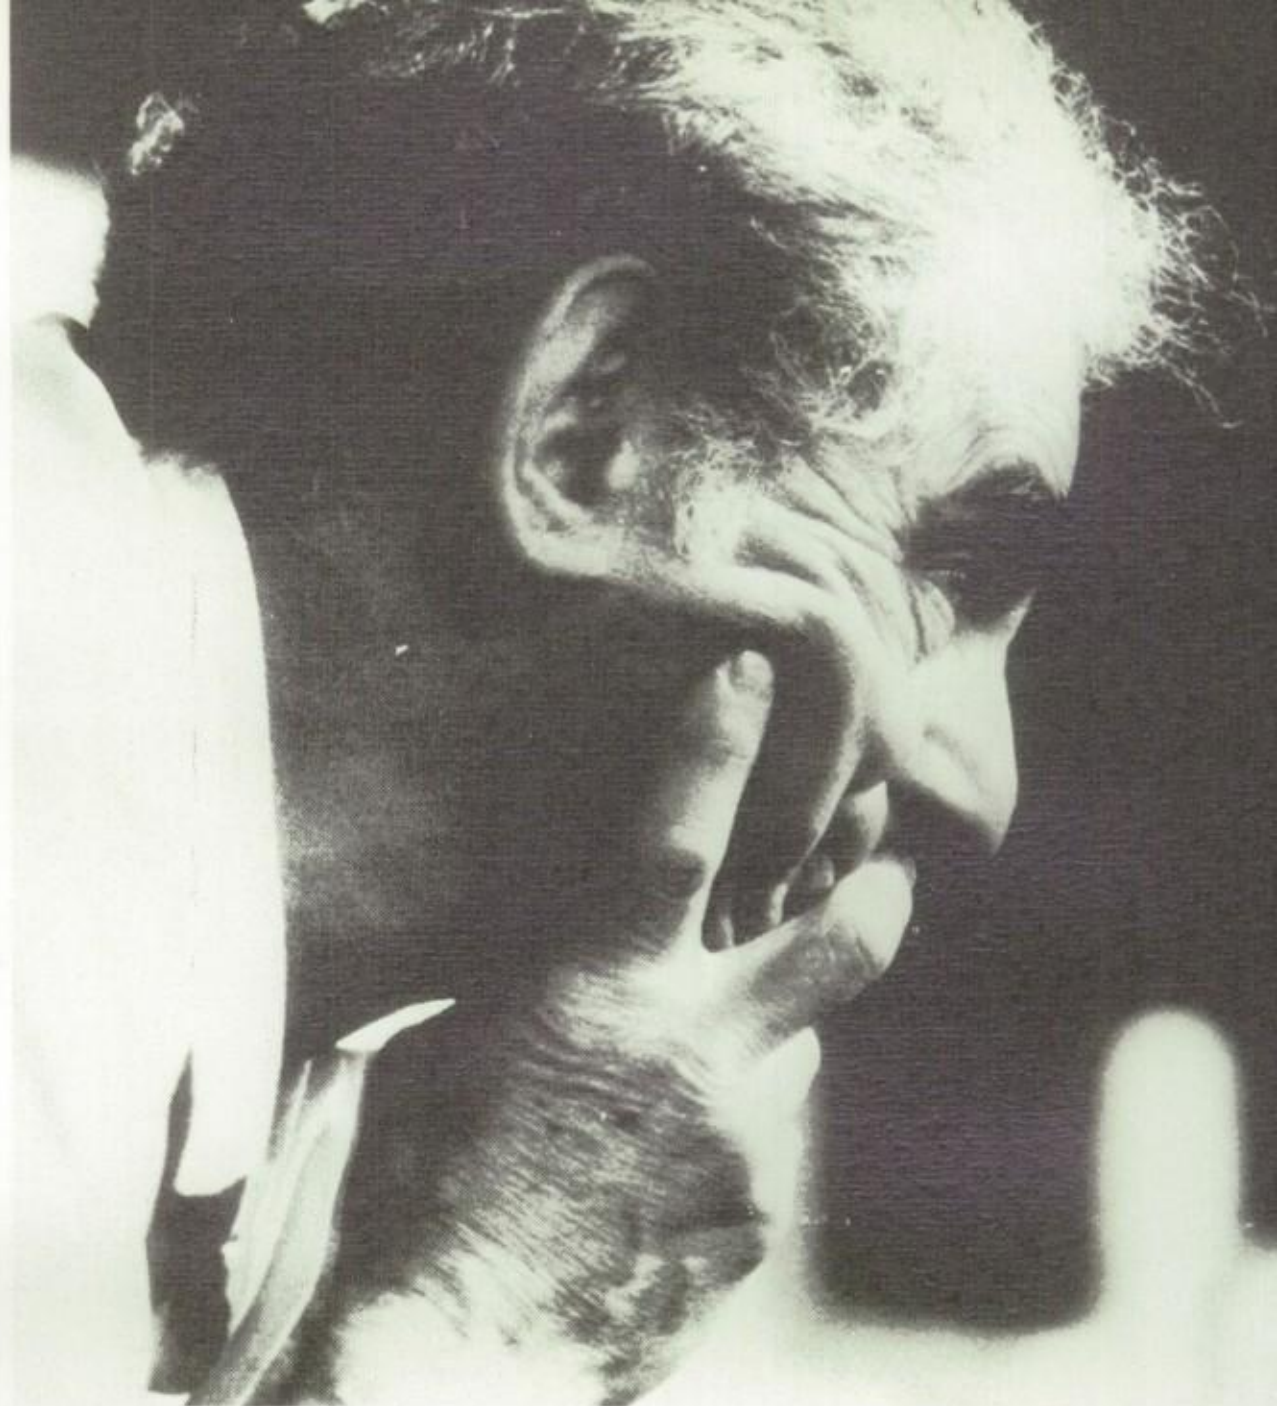

All these elements created an atmosphere of Peace.

# Professor experiments with audience perception

WITH A gesture of anger, Julius Sumner Miller demands an answer to one of his complicated queries.

PROFESSOR MILLER demonstrates various physics experiments as students intensely observe. Here, the professor ignites a candle in a glass and covers it. Why does the flame die out?

# Music lovers create dance concert

STRUMMING SWEET tones on a mellow guitar guides two pickers into a world of self-expression, inner thoughts and creativity.

WHILE PERFORMING the Rolling Stones' "Bitch," the bass player of Hippopotamus expertly helps to develop an exciting solo riff.

AMIDST THEIR equipment, the heavy group of the night, Hippopotamus, tunes their instruments, later playing the songs of Chicago, Santana and others.

We were given an insight into the mastery of rhythm when Hippopotamus performed at the dance-concert. They expressed a sense of completeness in their functioning as one. And perhaps we may yet learn the perfect strains of angelic choirs. Professor Julius Sumner Miller of El Camino College offered us a new perception of human intellect. He showed us a universe of inquisitiveness so that we might, just once, ask why.

# Foul and fair reign over campus

Joe Passerino, Kevin Keenan, Tom Ketcham, Jack Spidell, Scott Gordon, and Mike Adair compete for their picture as well as the Mr. Ugly title.

Mr. Ugly—Mike Adair

PEP SQUAD members, Wendy Moulton, Danny Gallegos and Joyce Shimizu loosen up after the basketball game at the annual Mr. Ugly dance.

JUDY MELLQUIST dances to the sounds of "Thee Perfections" at the Mr. Ugly stomp.

WAITING TO BE introduced to the student body at a lunch assembly, the candidates for Soph Doll spend a moment in individual thought wondering who will be crowned Soph Doll '72 at the Soph Doll dance.

STUPIFYING HER fellow actors, Laurie Kelley undulates across the stage in the PTSA production, "Li'l Abner."

## Hillbillies highlight 'Li'l Abner'

TAKING A break, a band of backcountry belles, in scant hillbilly costumes, look on to an approving summer audience while their boyfriends dance in the PTSA summer play, "Li'l Abner."

ALICE GIBLIN and Danny Thor link arms in a romping square dance at a lively hillbilly wingding in a lighthearted performance of "Li'l Abner" last summer.

# Senior students tackle the facs

SENIOR MIKE Young raises his arms in a futile attempt to block Mr. Bill Ryan's pass intended for a faculty team mate. The seniors won.

KURT SENFF anticipates a pass while faculty defender Mr. Bob Pier moves in on the ball. The encounter took place early in the fall.

Summer sets the stage for Li'l Abner as schools combine talents for the PTSA show. While RHHS students aid in the comedy, the show goes on.

Music, people and talent blend, before an appreciative audience. Rehearsal and practice are rewarded by the cast's performance.

Students overcome faculty rivals when Seniors take to the football field. Skill, persistence and pursuit clinch a hard fought victory for Seniors.

Youth and agility play an important role as determining factors for victory. With faculty lacking the potential of youth, they had to rely on other assets.

DURING THE Faculty/Student football game Coach Doug Eckert hopes for a possible fumble as Senior Brian Carabet reaches for the ball.

CHOREODANCERS, masquerading as raisins, endorse Post Raisin Bran in "We Interrupt This..."

"Annexed Anticipation"

DANCE INSTRUCTOR, Mrs. Cozette Walker, prepares the dancers for their performance. Through her gentle persuasion and guidance, "Pomegranate Circus" once again displays true talent.

ROBIN GEDICKS happily cavorts in a well-aimed poke at the television ads in "We interrupt this..."

CHOREO MEMBERS are captured in recurring positions as they dance to a jazz number called "10x27x8."

AWAKENING THE innovative mood of the choreo show in "He thought it should be red...but it wasn't anything," Dianne Barash casts a gentle light on the serene stage.

The varsity football team, competing for the first time in the Ocean League, finishes out the season with a four-win, one-loss record. In pre-season action, Miraleste finally beat the Titans after having suffered two straight losses to RHHS. Recovering fast, the Titans defeated their next three opponents by overwhelming scores, including a 33-6 victory over Palos Verdes, making up for last year's defeat. They appeared ready for their league opener against Hawthorne. Very aware that Hawthorne had yet to win a game, RHHS was very confident of victory. The difference in records did not bother the Cougars as they ran past the Titans 22-14. Nevertheless, RHHS won their four remaining league games by great margins, including a 33-6 Homecoming victory over West Torrance.

Although left out of the playoffs, the Titans were certainly a big part of the individual post season honors. Darrell Kreitz was named to the second All-CIF team and Mark Ensminger was named to the third team. Eleven Titans were named All-Ocean League. Darrell Kreitz, Scott Gordon, and Mark Adair were named on both offense and defense. Jim Shaw, Phil LaFollette, and Kevin Kreitz were named on the all-league offensive team, while George Marro and Mark Ensminger were chosen on defense. In addition, Darrell Kreitz was named Most Valuable Player in Ocean League. The Titans had as many players chosen on the all-league team as all the other league schools combined.

The JV's also took first place in their new Ocean League. The Sophs had a good season too, with a 6-3 record overall and a 4-1 Ocean League record, which was good for second place. The Sophomores lost their only league game to first place West Torrance.

The Frosh football team finished the 1971 season with an overall record of 5-4 and a league record of 3-2. The Freshmen lost to West Torrance and Mira Costa while defeating Inglewood, Hawthorne and Culver City. Rick Allen was outstanding on defense for the Freshmen.

Running 14 miles a day in order to join the 1000 mile club, Griesmer breaking course record in the first home meet, working under the enthusiastic guidance of Coach Bob Latham—these events marked the most successful season of any RHHS Cross Country team.

The team opened the season with a victory over Redondo, followed by losses to Palos Verdes and South. In league action the Varsity was victorious over Culver City, Inglewood and West. The runners finished with a 3-2 league record, second in Ocean League, which qualified them for CIF competition. After being successful in the semi-finals, RHHS proceeded to CIF finals at Cal State Long Beach, where they finished tenth.

Returning Lettermen Jeff Gardner, Mike Griesmer, Rick Negvesky, Don White and outstanding Sophomore Chip Nettels were instrumental in leading the Varsity to its successful season. Griesmer, the team captain and most valuable runner, was named to the All-Ocean League Squad. He was also the team's nominee for Athlete of the Year.

With an impressive season of victories, the Frosh team easily won the league crown. Outstanding freshmen were John Buesseler, Jamie Pettinghill, and Dave Catanzarite.

A first place league finish and an 11-win, 8-loss season record marked the most successful season in RHHS water polo history. Constantly displaying the strength which earned them a CIF berth, the Titans trounced Leuzinger (32-4), Hawthorne (28-5), and Culver City (23-1). In CIF play RHHS suffered a narrow loss to Crescenta Valley.

Besides team honors, the Titans received plenty of individual honors. Tim Murphy and Ron Lundgren were named to the All-Ocean League first team, while Mike Jones and Dave Perbix made the second team. Murphy, the team captain, received the Athlete of the Year nomination.

# Basketball

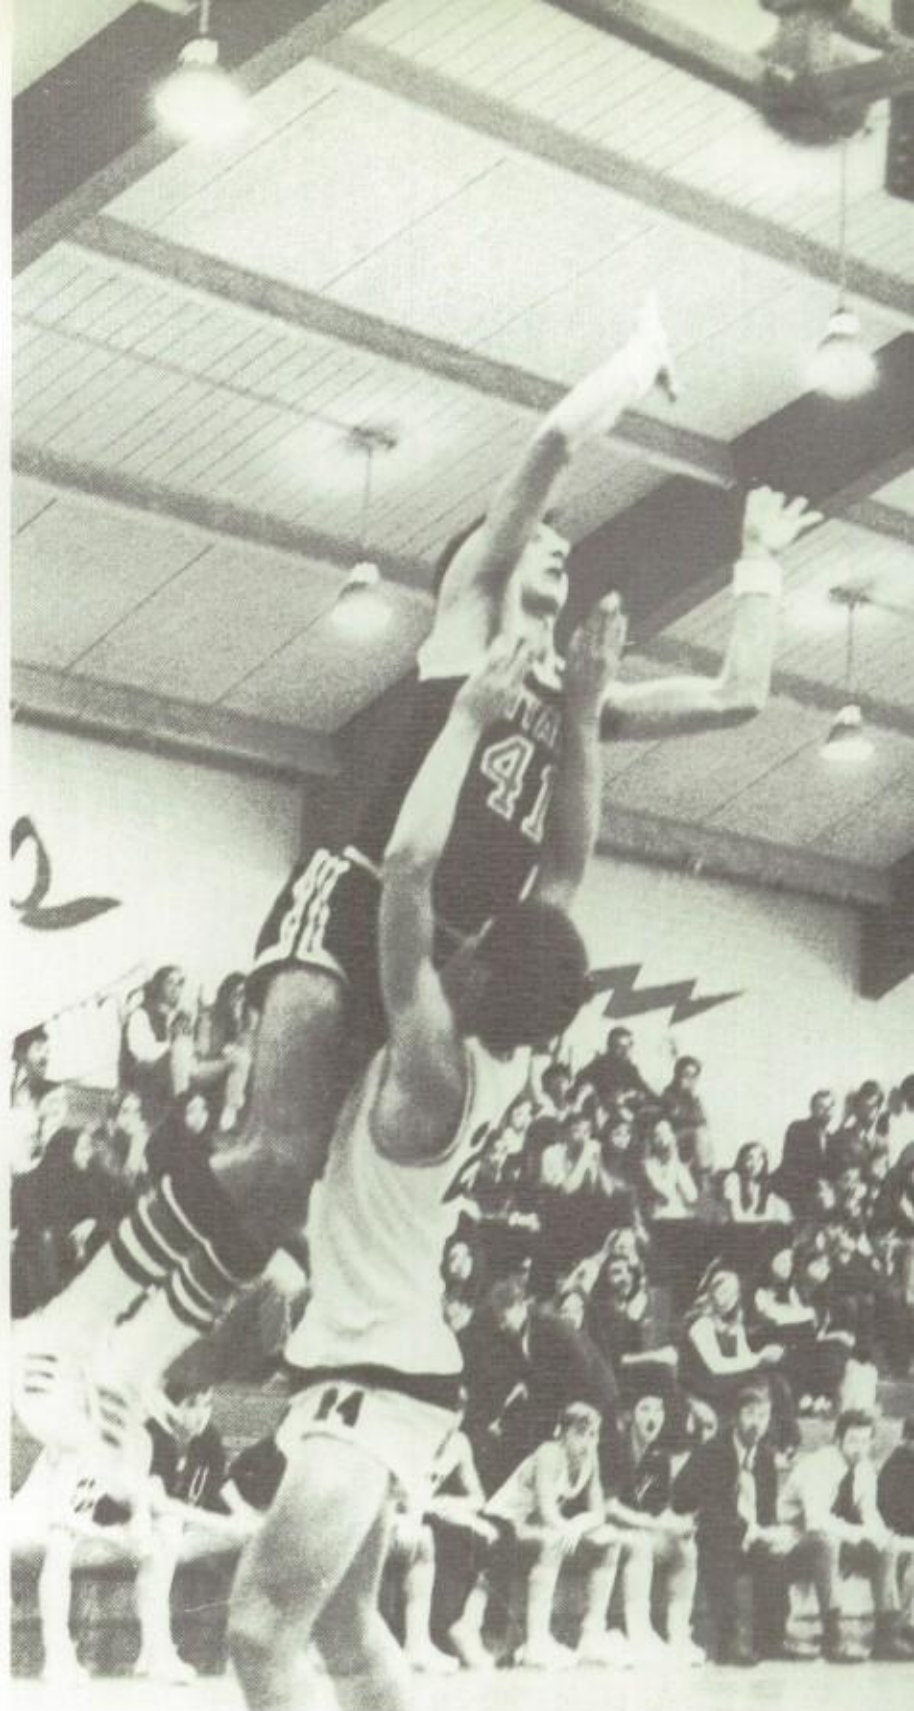

CIF-rated Titans were the best in history; scoring of John Menzelos and rebounding of co-captains Ed Phippen and Keith Appel sparked RHHS; looking to CIF, Titans were number one in Ocean League.

The Titans gave an indication of their abilities in tournament play by placing second in the Lakewood and Torrance tourneys, and by winning the Consolation title at Hawthorne. John Menzelos was named to all-star team in each tournament, a first in RHHS history. Ed Phippen was named at Lakewood, while Pat Sullivan was selected at Torrance.

In league action, it took the Titans only two games to secure a first place position. They continued to outplay their opponents, posting a perfect record at the end of the first round. After dropping a game to Hawthorne, the team finished the season strongly, capturing the league title.

Thanks to Coach Dan Clayton and the 13 Varsity cagers, basketball is finally a success at RHHS. Thank you basketball team and yes, it was worth the wait.

The Sophomores, although bothered by injuries, finished with an impressive league record, losing only to Culver City and West. Outstanding cagers included Dave Bilas, Mitch Shatzen and Tim Reeve.

Good team defense and consistent rebounding contributed to the Freshman team's success this year. The team placed first in league. Players consistently turning in excellent performances were Andy Allen, Les Green, Bob Jones, Tim Smith and Greg Nakamoto.

This year the Titan grapplers were in the new Ocean League. They started out well and grabbed a 5-0 record going into the league finals. All wins were landsliders including a 75-0 win over Culver City, except a very close 25-22 win over Mira Costa. George Marro and Mark Ensminger were outstanding on Varsity posting 22-4 and 23-3 records respectively.

With a first or second in the Ocean League finals, the Titans would win the Ocean League Crown. In the Ocean League Finals the Titans got 94.5 points, Hawthorne 84.5, Mira Costa 84, followed by West, Inglewood, and Culver City. The Titans won the League Crown and finished the year undefeated. They then went on to the C.I.F. Finals.

Lance Lawhead, a Varsity-Junior Varsity trade-off, was outstanding for the JVs and did very well on Varsity. At the end of the first round of play, the team posted an excellent 4-0 league record. They were victorious over Inglewood, Hawthorne, Santa Monica and chief rival, Culver City. Since the Titans defeated their opponents by such large margins, they are expected to do equally as well in the second round of league play.

High points of the season included a 93-1 trouncing of Hawthorne, and a first place finish in the Peninsula Invitational over several schools.

Each team member excelled in his event, contributing to the team's success. Standouts included seniors Tim Murphy, Pat Graham, Mike Jones and Dave Perbix. Supplying the offensive punch were Bill MacPhee, Darrell Kreitz, Steve Abdo, Kevin Kreitz, and team captain Phil LaFollette, while defensive strength was provided by Dave Calvert and Jamie Opatrny. On the mound, Tom Bondurant and Mike Ongarato consistently displayed their talent.

New to the team this year was sophomore Bruce Schiff, who showed great improvement and much potential. With many returning lettermen, next year's season should prove to be very successful.

The best Varsity Track Team RHHS has ever seen began its season by taking first place in the Palos Verdes Kiwanis Invitational. Mike Griesmer began his record-breaking course by clocking 9:39.5 in two miles.

While Griesmer led the team in long distance running, other athletes also excelled in their events. Steve Beyers and Bob Fong were the leading sprinters, Scott Weigel performed well in the 880, and in the field events, Ed Phippen and Scott Gordon were standouts in the high jump and shot put.

With a 2-1 record after three league meets, the Titans look forward to a first or second place league finish.

Tennis has always been a successful sport at RHHS, and this year's team is no exception. The Titans, usually considered a powerhouse in the sport, had only three returning lettermen. The weight of the 1972 campaign was expected to be on the shoulders of seniors Doug Austin and Mark Lester along with junior Mark Miller. However, additional talent was discovered in freshmen John Austin and Kurt Stalder, along with the rest of the well-balanced team.

Beginning the season strong, the Titans easily had a 7-0 record in league action. Highlights of league play were victories over Inglewood and Mira Costa even though the team was not at full strength. Due to the fact that the team is young and talented, RHHS should look forward to excellent teams in the future.

The Junior Varsity team is also doing very well, with an equally fine future ahead of them. Outstanding players this year included Scott Supernaugh, Rod Gabuya, and Tom Kleinhenn.

Coach Emily Wierenga predicts great successes next year for a green but talented line-up who practiced hard and will surely develop into a tough team.

RHHS girls' swimming and tennis teams were outstanding in competition. The swim team, coached by Mrs. Barbara Hardesty, broke school records and the Frosh-Soph team was second in CIF. Kathy Lyon set a CIF record in the 50 yard freestyle.

The RHHS Girls' Basketball Team played a fine season, finishing third in league. Coach Barbara Hardesty said the team played well, but they are still inexperienced. Ann Barr was named High Scorer and Cathy O'Donnell was High Rebounder. The team used a zone defense and a varied offense. Next year the team should be even stronger.

The Girls' Softball Team is powerful at Rolling Hills this year, with an excellent chance of winning the league title. Coach Judy Takii hopes that with strong batters, a good infield, three especially strong pitchers on Varsity and some talented freshmen will make our team a real standout.

The RHHS Girls' Track Team is visibly dynamic. One noticeable quality of these talented athletes is that they keep improving and records are broken constantly. Interest has surged with the growth of membership from 23 to the present 40. Bev Dyda, Laura Malseed and the 880 relay team broke their own school records while the RHHS team scored a 59-49 upset over powerful Beverly Hills. Coach Joan Ohrmund said there are promising new members for the future.

The Girls' Gymnastics Team at RHHS won the League title last year and are out to do it again this year. Coach Emily Wierenga attributes their success to an extensive array of talent. Carole Hall was an outstanding all-around competitor. The Girls' Gymnastics Team this year made a habit of being Number One.

You—you know who you are. You worked and toiled for this yearbook. And for a year, you were united into one. You combined and conflicted with one another until these final pages went to press. And now it's over . . . A thank you is not enough. Each of you gave me something that I'll never forget.

I hope Jan finds her marbles. I hope Marcia finds a willing photographer. I hope Chris finds a Lettermen's Club picture. I hope Holly locates Jyl-and-madeleine. I hope Alan can find a fool who will pay the rest of his banquet ticket. And I hope Brady comes to appreciate her mother as much as I do.

I too  
will something  
make,  
into an image  
of my thoughts,  
my love,  
my life among  
you.

We will together  
in time create  
a memorable  
experience  
for today  
and tomorrow.

The memory  
among ourselves  
is inescapable,  
for the pages  
mirror a time  
of reflection,  
smiles and  
laughter . . .

We had many of the same experiences,  
but I call them mine.  
You helped me to understand them,  
now I must understand myself.  
Our friendship lacked but one thing—  
It is not forever.

Vacant rooms echo with memory . . .

I can hear it.

Autographed walls put boundaries on my thoughts . . .

I was limited.

Classes and lines and bleachers were crowded . . .

Now I am alone.

I have drained knowledge from you;  
I am selfish.  
You have shared your wisdom with me;  
I am grateful.  
You and your words will linger in me;  
I will remember...

Well my friend, did you ever think  
that we would make it? At any rate  
we did and now its time to go our separate  
ways... I hope you + John will be happy  
and that you can always find a smile.

Love  
Kathy Boyer 

Claudia,  
well, as  
everyone says the  
years almost over  
and we can't even believe  
it. It's about time.  
I can remember 10th  
grade typing class then dance  
last year and wish you all the  
happiness in the world. I also  
always remember you're wedding.  
that was so happy for you. Thanks  
for inviting me that was the first one  
so I've been to and I'm glad it was  
yours. I'll come and see you one of  
these days for sure. So good luck  
and happy graduation.  
Love always,  
Pam

Well, kid do you believe it? We  
are gonna be out in just a few  
days. You know Charlie I am really  
gonna miss you probably more than  
anyone else at this school, we've had  
a lot of good laughs together in Crows  
and Otis's classes and now Tomlinsons  
and of course we can not forget  
the famous Bathrooms!! I hope  
a real fantastic person and I hope  
there will be some way we can still  
keep in contact! We have said that  
a million times and we both have  
done nothing about it! So let's try  
real hard because if we don't  
we will probably never see each  
other again. And you mean too much  
to me, to just let our friendship  
end. I bet this is really blowing  
your mind because I'm usually not  
this serious but when I think of  
the chance I may never laugh and  
talk with you again it's really quite  
hard to joke. You know what, I  
can't sing your name any more! Well,  
Charlie if I don't stop soon this is gonna  
sound like a love letter from a lesbian!  
Charlie I wish you and John all the  
happiness there is because you both are  
great people and deserve it all! Please  
take care of yourself. Good luck once  
you get out of school, I don't know  
if the world is ready for CHARLIE  
BOWLER!! Ha! I love you lots  
Keep in touch!  
Love ya

I am so glad I got to know you better this year. You are the nicest people and I could of been at your wedding. I wish to see you get married but I didn't know you are well as now. I hope you and John are always happy together. I'll come by in the summer just to keep in touch. Congratulations for making it through the four years. Love ya,  
 Francine
